Autumn Term 1

British School Algiers Middle-Phase Newsletter

Welcome to this week's edition of the Middle-Phase newsletter, the last one of Autumn Term 1. All of our students have worked very hard over the last seven weeks and certainly deserve their half-term holiday. Today was a fun-packed day at BSA as we celebrated International Day. Thank you to all parents and family members who contributed to the event or who found the time to visit. Please note that all students are scheduled to return to school on Tuesday 3rd November. Monday 2nd November is a non-teaching day because it is dedicated to parent/teacher meetings. Please check the dates for your diary section at the end of this newsletter to stay informed about other important dates for next term.

Year 5

Over the past few weeks, our Year 5 students have been developing their drawing skills as part of their art studies. This week, they put those skills into practice by creating their own symmetrical patterns.

Year 6

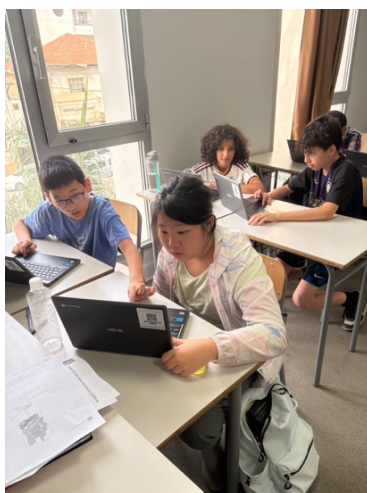

In their Arabic lessons, our Year 6 students have been strengthening their understanding of pronouns. They practised recognising and using masculine and feminine forms, as well as singular and plural forms.

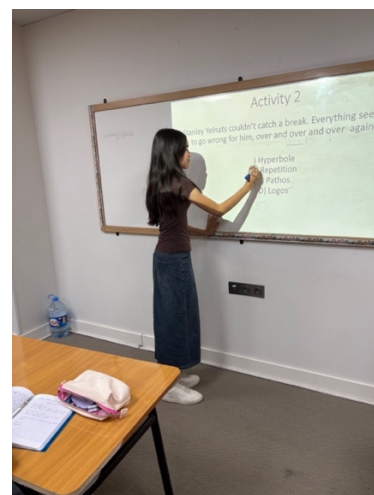

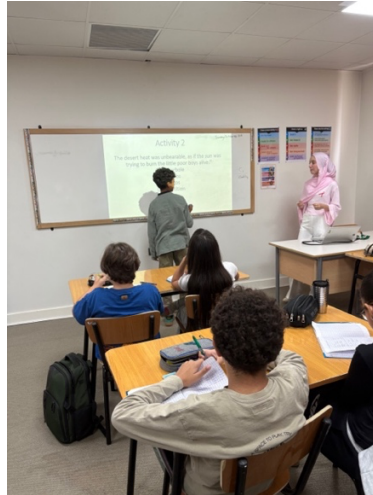

Year 7

During this week's technology lesson, Year 7 students completed their PowerPoint presentations. They then reviewed their work and reflected on how it could be improved.

Year 8

In English this week, Year 8 students explored the craft of persuasive writing. They examined techniques such as hyperbole, repetition, pathos and logos, before applying them to their own compositions.

International Day

International Day was a lively celebration of the many cultures represented across the BSA community. Our students wore an impressive array of outfits celebrating cultures from around the world. Classroom displays also showcased the diversity of our international school community. Meanwhile, students and families took part in a wide range of outdoor activities. There were stalls offering delicious food from around the world and some of our talented students entertained everyone with a selection of songs.
